

How to be a Dyslexia Friendly Employer Training Dates 2018 and 2019

Employer Bespoke Training £295 plus VAT

Need help with a particular issue, we have a package of eLearning combined with 30 minutes individual surgery time for bespoke advice, available on a date agreed with you. For further information see the Employer Services Brochure on our website at: <http://www.bdadyslexia.org.uk/employer>

Fundamentals of Dyslexia Awareness £120 inclusive of VAT

This eLearning module course aims to develop a sound understanding of dyslexia. A series of topics will guide you through learning what dyslexia is, and examining potential associated issues and the challenges it presents.

Making Reasonable Adjustments £120 plus VAT

This eLearning module aims to provide an understanding of the process and remit of a workplace needs assessment, the legal parameters of reasonable adjustments, where they fit within the context of employment and the scope and format of the workplace needs assessment process and report.

It also includes how reasonable adjustments can be implemented in these situations and identifies possible reasonable adjustments that can be put in place to help individuals' performance and to meet their potential in the workplace. This module looks at dyslexia as a condition; how it presents, common strengths and difficulties, and dyslexia in relation to the Equality Act.

Screening for Dyslexia (1 day) £140 plus VAT

Learn about how you can screen your staff for dyslexia and the tools that are available to help you do this. We recommend you have a good basic knowledge of dyslexia prior to attending this course.

Specific Learning Difficulties and Performance in the Workplace £25 plus VAT

This eLearning course aims to provide employers, trainers and HR professionals with a brief overview of Specific Learning Difficulties (SpLD), how they may affect their workforce, and some basic support strategies that can be put in place to help individuals perform to their full potential in the workplace.

Workplace Assessors Programme £1,170 plus VAT

Learn how to recommend reasonable adjustments within the workplace.

This is an accredited Level 4 programme. The programme comprises four eLearning modules and an assessed workbook. Please contact eLearning@bdadyslexia.org.uk for further details.

Onsite Training

All of our training courses and accredited level programmes can be delivered on-site at your location, often for a reduced cost per-head compared to our scheduled open courses.

Alternatively, for an additional fee we also offer bespoke solutions tailored to fit your specific needs.

For further information and prices please email: onsitetraining@bdadyslexia.org.uk
